**KEYNOTE PRESENTATION:**

***Iyashi Care: A Keiro-Providence Partnership***

*Keiro and Providence Health & Services, Southern California have partnered to bring Iyashi Care, the very first palliative care program of its kind in the United States, to the Japanese American and Japanese community. Providing care not only for patients, but also for their families and caregivers, Iyashi Care is culturally sensitive and innovative as a medical service to the community.*

**SPEAKER:** Yuichi Edwin Yanami, MD  
Associate Medical Director,  
Providence Health & Services, Southern California

**THE CAREGIVER CONFERENCE** is an important component in Keiro's services to support older adults and their caregivers. As we care for the older adults in our lives, Keiro believes it is crucial to ensure that caregivers are not only recognized, but properly equipped to confidently provide the quality of care our older adults deserve.
