# Bring Your Friend to a Keiro Virtual Forum!

Thank you for attending our free virtual forums for these last eight months!
Throughout the month of December, we are hosting a "Bring a Friend' campaign.

Community members who bring first-time attendees have the chance to win a **$10 Tokyo Central gift card**. Five winners will be announced at the beginning of January.

## How to participate:

1. **Tell your friends or family who have never attended a Virtual Keiro Forum to register for any of the December forums.**
   - You will receive one entry to win for each friend that you bring to participate.
     - One new friend = one entry  Five new friends = five entries
2. **Have them register for the forum on the Keiro website.**
   - On the registration page, they will be asked if anyone encouraged them to sign up and to provide your name.
     - If they do not provide your name, the entry will not be counted.

**Consider attending the same forum your friend registered for to see them virtually!**

To register, visit keiro.org/virtual.
