

DOT, WIGGLE, SWIPE: Watercolor Flowers

SUPPLY LIST:

Paint Brushes	Small round brush (pointed #4 or smaller).
Paint Trays	3 well paint tray and 1 larger mixing tray (can use plastic, paper, porcelain, but some watercolors can stain porcelain dishes) or a watercolor paint set that has red, blue and yellow and a lid to use to mix the paints.
Paints	Watercolor paints (tubes, pans, set) – at least the colors red, blue and yellow.
Water Cups (2)	One for washing brushes (dirty water) and one for mixing with paints (clean water).
Paper	Watercolor paper (140 lb) (Can use computer paper to practice)
Drawing Board	Wood, plastic or composite board to tape the paper to. Can use a clip board or clean cutting board or the cutting mat you use for crafts (Fiskars cutting mat).
Masking Tape	Roll of masking tape, Blue painter's tape, Frog tape, or Washi tape.
Towels	Either a couple paper towels or an old cloth rag.

PREPARATION PRIOR TO ZOOM MEETING:

1. Divide or cut the paper into 4 sections (roughly $4\frac{1}{2}$ " x 6" if watercolor paper, $4\frac{1}{4}$ " x $5\frac{1}{2}$ " for regular paper), allow for a $\frac{3}{8}$ to $\frac{1}{2}$ inch border around each picture. Tape paper to drawing board.
2. If your paints are in tubes dab a little paint into the paint trays.
3. Fill both water cups with water about $\frac{1}{2}$ to $\frac{3}{4}$ full.
